John Muir, formerly employed at the
A. P. Abbott dry goods store, arrived in
the city Saturday from North Adams,
Mass., to remain until Wednesday with
relatives here.

Raymond H. Eastman, a wireless op-
erator on the U. S. S. Maine, surprised
his parents, Mr. and Mrs. A. W. Eastman
of Eastern avenue, yesterday morning
by arriving on a 12 days' furlough.

Seaman Benjamin A. Dorlac of St.
Louis, Mo., left this morning for New
York, where his ship, the U. S. S. Texas,
is stationed, after having spent a week's
furlough with his aunt, Mrs. Tessie Cook
of Perrin street.

Miss Dorothy Averill accompanied her
brother, Stanley, when he returned to
Camp Devens. She will be present at
the review and decoration of the regu-
ment Tuesday and will remain for the
parade in Boston the 25th.

The case of E. C. Brock, charged with
theft of wood from the woodlands of
Calder & Richardson March 14, was dis-
posed of this morning in court when the
defendant withdrew his plea of not guilty,
by advice of his counsel, H. W. Scott,
and pleaded guilty. A fine with costs of
\$31.05 was imposed, which was furnished
for his release.

The millinery and art store, conducted
for the past year and a half by Mrs.
Lillian A. Duncan at 168 North Main
street, changed hands this morning when
Miss Emma Whitney, who has been em-
ployed there, purchased and took posses-
sion. Miss Whitney has had con-
siderable experience in this kind of work,
having previously had charge of the mil-
linery department at the A. P. Abbott
store and before that conducted such a
business on Summer street.

In regard to an item printed in The
Times of Wednesday, April 16, which
was sent into the office, and which re-
ferred to Mr. and Mrs. Raymond Boyce
passing through the city on their way
to Washington, Mrs. Mary A. Johnson
of Washington states that the item was
untrue, that it carried the idea that she
was the wife of Mr. Boyce, which is not
so, and that she did not pass through
Barre City with him on Monday. She
states that she did go to the northern
part of the state to her relatives on ac-
count of sickness, but that she went
alone and passed through the city on her
way home to Washington. The Times
regrets the mistake.

One of the two games of basketball to
decide the Northern league championship
was played at St. Albans Saturday night
when Montpelier high met and defeated
Burlington high school by the score of
29 to 19. Both played hard and honest
protest credit it as an excellent, fast
game, Montpelier displaying wonderful
speed in teamwork and shooting. The
cup now lies between Montpelier and
Spaulding teams and the holder will be
known by the end of this week if ar-
rangements can be made to stage the
game. Spaulding men have not practiced
during the past week, so unless some
hard training takes place this week in
the gymnasium, Montpelier, apparently
in the best of condition, has a strong
grip on the silver trophy. Coach William
Stuart wishes to have the game played
as soon as possible and picks Morrisville
as the likely stage for the championship
decision.

Card of Thanks.

We wish to thank all who were so
kind to us during our recent bereave-
ment, also the Ladies of the Maccabees
for the beautiful flowers.

Mrs. D. E. White,
Mrs. G. W. Girard,
Mrs. M. R. Kearney,
William LeClair,
Jed LeClair,
George LeClair.

though the Boston papers insist on pub-
lishing Tuesday as the probable date of

dred men work at the granite business
here and the strike of the quarrymen
